

MAKE IT YOURSELF

Heart Bird Feeders

You will need:

- bird seed
- 1/3 block of lard (approx 85g)
- cookie cutters
- twine or ribbon
- mug
- mixing bowl
- small saucepan
- greaseproof paper
- wooden spoon
- teaspoon
- pencil

CHILDREN!
Please make sure you help any adults who are trying to do this on their own!

Now let's make the feeders!

Place a full mug of seed in your bowl

Gently melt the lard

Add the melted fat to the seeds

Mix well

Spoon the mix into your cutter

Create a hole with the pencil

Lay filled cutters on greaseproof paper

Refrigerate overnight then remove cutter

Thread with twine or ribbon and knot
